

INTRODUCTION

To achieve the highest result in success with the EXPO, it is imperative that we, the exhibitors and sponsors, provide the best possible customer service, have absolute professional presentation, and show a high level of organization. Our clients should have a wonderful experience from the moment they come thru the doors. Even if they don't purchase anything, we want them to enjoy the environment and the interaction with each one of us because we only get one opportunity to make a first great impression.

SETUP

Date: Friday, January 27th

Time: 5 pm – 8 pm

- Tables will already be setup and labeled for your business.
- Electricity will be available only to those that purchased the booth space; however, to connect multiple electronics, you need to bring your own power strip.
- All your equipment and boxes should be labeled.
- Limited space will be available for storage, so we recommend that you store your boxes under your table if possible.
