QUINCEAÑERA EXPO 2017

ABOUT

The Quinceañera Expo 2017 is about reaching a growing niche of young Latina girls and their families, who are potential clients to multiple services/products for their Quinceañera Celebration.

With a wide range of exhibit opportunities to choose from, show participation is within reach of all businesses, big or small. We offer a variety of participation options and sponsorships.

Based on extensive marketing research done prior to planning this event, and the successful turnout we had in the Quinceañera Expo 2016 (more than 800 attendees), we anticipate no less than 500 attendees this year (being conservative).

We take seriously the idea of investing where matters, and that is why we have strategically created a budget for this event to give you the best return of your investment. The bigger percentage of the budget is destined to significant publicity and marketing!

Our goal is to be able to immerse your brand in our thriving Quinceañeras community!

VISION

By reaching these señoritas during their teenage years, providers of both, products and services have a big chance to make a strong connection that may be revisited later.

It all adds-up to an unprecedented opportunity for marketers to reach this booming population, as well as their families, around one of the biggest events of their young lives.

FACTS

- According to Univision® market study in 2011, there are 400,000 Quinceañera celebrations each year in the US.
- Blooming like never seen before, they represent a 4 billion dollar industry in the US, and growing at an impressive rate of 20%.
- The average Quinceañera includes over 150 guests, and their celebration lasts 8-10 hours.
- The standard budget in the D.C. Metropolitan Area is over \$15,000. Most of these are middle-class families with good to great consuming potential.

PRODUCT/ SERVICE FOR QUINCE CELEBRATION...
The potential is endless!

Being a sponsor at the 2017 Quinceañera Expo is a great opportunity for a company to be our event partner. With significant promotion before, during, and after the expo, our sponsors will get their company in front of our attendees in a way that will leave a lasting memory and a feeling of preference for your service/products. This is a win-win opportunity, as our attendees need us and we need them!

The Quinceañera Expo 2017 has been designed for our sponsors to connect with each one of these attendees as we strategically drive traffic to your sponsor booth. We encourage our sponsors to give away promotional gifts to get your product or brand in the hands of every attendee.

THE LOCATION

We carefully selected Julia Bindeman Suburban Center as the venue for Quinceañera Expo 2017, as it is conveniently located for Maryland, Virginia, and Washington D.C. potential attendees. This venue is not only spacious and perfect for the occasion, but it also offers easy access and ample free parking. We are planning on leveraging its state-of-the-art built-in sound system and large projection screens to promote the sponsors names.
